LOCKDOWN PROJECTS: FINLAY McCOMB Y8

Fantastic Finlay!! From building a fence from pallets to bird boxes, from making a greenhouse out of recycled products and chairs from barrels, as well as making lots of treats Finlay has excelled himself over the last few weeks. Well done!!

PRINCIPAL'S MESSAGE

Dear students and parents,
This is mental health awareness week and I'm delighted to see so many of our students and staff participating in the range of activities we have been posting online. The theme for this week is kindness which is something I know the Strangford community is great at. If you haven't already taken the opportunity to reach out to someone and show them you care through an act of kindness this week, it's still not too late. All the research shows that reaching out to others not only makes the other person feel good but it makes us feel better too. Make sure you send us pictures of all the kindness you have been showing this week.
Take care and stay safe.
