## PRINCIPAL'S END OF TERM MESSAGE

Dear Students and Parents,

As the 2019-20 academic year draws to a close, we reflect and all agree that it has been a year like no other. On behalf of the staff at the College I would like to thank you all for your ongoing support as we have run the school remotely for the last 3 months.

I would like to reassure you that there is much planning happening behind the scenes in preparation for restarting our school in August. We are waiting further guidance from the Department of Education to inform that planning and I will be in contact with you when we have clarity about how the school will operate in Term 1 next year.

There has been lots of good work and achievements worth recognising throughout the year and since our school temporarily closed since the 20th March. We are proud of all our students and the resilience and strength of character they have shown over the last number of months.

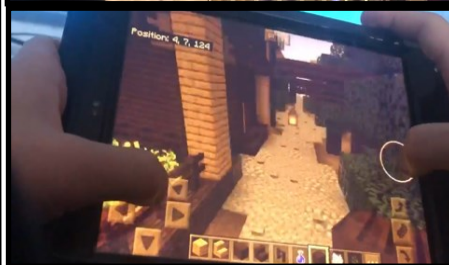

I hope that you and your family have a relaxing and restful summer break and we look forward to seeing you all in August as our school reopens.

Best wishes,

Mrs C Foster.
